They are changing the TCOTS site to another platform, and I have been told to wait until it is and fully operational, before we place additional items. It should be up and running by mid-April.

That said, forward me the documents reflecting the notice of consultation.

Pat

Although I have been providing information to TCOTS through TAP, I don't think we had the Dewey-Burdock consultation opportunity posted on this website. I didn't know about the website till now. I think it would be great to have it added here.

Wanted to check in with you before I responded to Scott's suggestion. Do you know if our previous opportunities to consult were on this site? This does seem like another way to get information out in front of the tribe.

Thanks  
D

Hi Darcy,  
Thanks for your time yesterday with the RTOC. I looked at the EPA Tribal Consultation Opportunities website and did not see it on there. That would be a great way for the tribes to get their opportunity to participate and get all the pertinent info about the UIC permit.  
Thanks,  
Scott
